BUZZWORD BINGO

Whenever a buzzword on your card is used in class, mark the appropriate square below.
When you get five in a row (horizontally, vertically, or diagonally), shout "BINGO!"
The center square has already been marked for you.

memory	encryption	Alice	abstraction	complexity
deadlock	fault-tolerance	protocol	authorization	swapping
flow-control	NFS	FREE SQUARE	WWW	router
authentication	proxy	Ethernet	Java	protection
security	kernel	latency	bandwidth	reliability
