

MIT elevator outages

Weekly update: May 9 - May 17, 2024

This list of elevator outages will be issued on a weekly basis. For each activity, we will note anticipated duration if known, and alternate access points. There may be occasions when these closures will cause inconvenience to your research, teaching, studies, or work. Our goal is to provide you with timely information to help you plan and manage your daily activities during these unexpected outages.

Known outages

Please note that this list is subject to change due to conditions identified and material delivery.

Elevator location (Building number)	Expected duration	Alternate elevator locations
E53	May	Buildings E52 & E53
NW86	early May	Building NW86

Additional elevator renewal projects are currently in construction, design, and planning. Projects scheduled to commence in the next year include the Lobby 7 elevator.
