To: FSILGs planned for Feb Review <nulldev@covert.org>
Subject: Reminder: please confirm availability for 9 Feb MIT AILG Accreditation

Your fraternity or independent living group has been selected for review by a Visiting Committee from the MIT AILG Accreditation Program.

This is a reminder that next Wednesday (23 Jan) is the date by which we would like each organization to confirm its availability for the 9 Feb date or request rescheduling for one of our other dates.

Please discuss scheduling with other officers of your organization over the weekend or early next week so that you may confirm the availability of representatives to meet with our visiting committees.

Information about the current scheduling process is available at http://web.mit.edu/covert/ailgreviews/

Thank you and regards,
John R. Covert
