

QUOTES

The following are excerpts from letters on Beck's performance.

"I would like to recommend your company for the outstanding work performed by your team at the Austin-Bergstrom International Airport. The project was completed on time and after value engineering, within the budget."

Kimberly Ennett, Project Manager
American Airlines

"Beck provided quality service above and beyond our highest expectations. Beck is a professional, efficient and dedicated contractor whose services would benefit any business's construction needs."

John Stanley, SBIS Facility Manager
SBC Internet Services

"I have never witnessed such outstanding organizational and time management skills."

Gale Sloan, Manager
American Airlines, Admirals Club

"The project management team continued to accept challenge after challenge and remained proactive in solving problems and coordinating a team effort to reach our milestone dates."

John Boone, P.E., Director of Construction
Harwood Pacific, Inc.

"Your expertise, professionalism, and commitment to meeting your customer's needs was paramount."

Nancy Lowrance, Director - Local Service Center
Southwestern Bell Telephone

"I wish to commend your organization as a whole, for the professionalism and genuine concern for a quality product that has been exhibited throughout the course of the project."

Peter Spillis, AIA
Spillis Candela & Partners, Inc.

"They bent over backwards to keep our many managers satisfied and they definitely succeeded!"

Joanne Hite, Property Manager
Allstate Insurance Company

"We would like to express our sincere appreciation for the outstanding work performed on the construction of Grapevine Mills. Your dedication and professionalism on this project will not only be seen by all attending the Grand Opening on November 30, 1997, but throughout the years to come."

James Whitcome, Senior Vice President
The Mills Corporation

"I would also like to commend you for the excellent construction team you assigned to the project and the very professional way those activities were performed."

Robert Payne, Consultant
TXU

"Beck's expertise in the cost area was a big help for us. I firmly believe your involvement in this project saved thousands of dollars, hours of time, and resulted in a significantly higher quality end product."

Chris Dodge, Director of Human Resources
Arvin Industries, Inc.

"Beck embraced the culture of Mary Kay . . . they have stepped into that third ring of customer service: going beyond expectations and enriching lives."

Jeff Bomar, Director Facilities Planning & Building Services
Mary Kay Cosmetics, Inc.

"We want to thank you for your responsiveness to our quest for implementing Total Quality Management on the project. Your enthusiasm will be contagious throughout the industry."

Robert Hayden, Senior Vice President Facilities
USAA

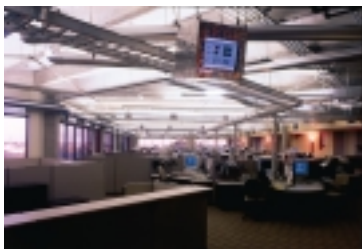

"Making it happen took a great deal of teamwork and a contractor who didn't know the meaning of the word "no." What impressed me the most was the on-going flexibility to address the many changes generated by IBM's numerous realignments."

Roger Scott, Manager of Design & Construction Southwest
IBM Corporation

"It was a welcomed pleasure to work with a project manager who invoked intelligence, knowledge, tact, and common sense in a team approach for the good of all concerned."

Eddie C. Hueston, Executive General Manager
Fair Park, City of Dallas

"You performed the seemingly impossible task of structural stabilization, removal and reconstruction simultaneously with great poise and professionalism." (California earthquake repair)

Carmine Annibell, Former Senior Vice President
Federated Department Stores

"Your project team demonstrated superb construction management skills, explicit decision ability and a professional rapport."

John E. Goode, Senior Civil Engineer
ISSC, an affiliate of IBM

"The professionalism and integrity demonstrated by Beck's personnel and its subcontractors in checking, verifying and processing the time and material invoices is only equaled by the expeditious and economical manner in which the actual construction was performed."

James Snidow, Group Vice President - Construction
Formerly with R.H. Macy's & Co., Inc.

"In spite of what we feel was one of the most difficult and challenging projects we have ever been involved with, Beck's on-site management team finished construction of our hotel ahead of schedule and under budget."

Rex Whitton, Construction Manager (Solana Marriott)
Maguire Partners

"We emphasize our complete and favorable recommendation of this company. They have distinguished themselves as professional contractors and/or consultants with unquestionable integrity and capacity."

Lawrence Meagher, Jr., President and CEO
International Hospital Corporation
