

Mission 2019: Global Food Security in the 21st century

Friday, Sept. 11

- Divide into 7 groups of ~5-6 students
- Share what you found interesting/surprising/important from the reading and/or presentation Wednesday.
- Come up with a single list of potential groups for the class to tackle this year's mission.
- Come up with a single question that your group feels it needs to answer to better understand the problem or potential solutions.
- Write your list of groups and your question on the board.
