Just for this week her office hour will be Thursday 12:00-1:00 at E51-390. If your schedule permits, please come to the TA's office hours, rather than e-mailing them your questions.

Review Sessions

Review sessions are Friday 4:00-5:30. For the first half of the semester, the review sessions will be at E51-315. For the second half, they will be at E51-395. There will be no review session on April 9, which is Diversity Day.

Problem Sets

You should hand out only one problem set per group. To ease grading, please do the following:

- Answer each question at a separate page, following the questions' order
- Staple all pages of the problem set together (use staples, not paper clips)
- Write your names and the section letter (F) very clearly.
