

## Unified General Grading Algorithm and Interpretation

<b>Score</b>	<b>Level of Performance</b>
9-10	Outstanding Solution, No Math Errors; thorough explanation of conceptual knowledge
8-9	Excellent grasp of concepts, some algebra/math problems; clear understanding and explanation of physical interpretations, modeling and assumptions.
6-8	Some minor conceptual errors in understanding the physical interpretations or modeling assumptions, but the general picture is understood.
4-6	Basic understanding and show of effort, but some major conceptual errors.
0-4	Apparent lack of effort and/or understanding
