coming up

tutorial

5 PM in Papplardo, UI design

feedback

team-specific comments from me are on the website today through 5 PM Saturday
2.009 Product engineering processes

coming up

design review on Monday

  schedule online

other items

  peer review 3, team review B
  tech review timesheet, notebook reflection
  digital notebook only next week (before the holiday)
  schedule a set discussion time on Tuesday
place backpacks by the columns out of sight
(don’t forget your phone & earbuds)

gather with your teams on the steps, wearing hard hats & pom poms

please cheer when instructed!

i) entire class on steps
ii) each team cheering in isolation
iii) a special activity. hmmm
iv) entire class charging from lobby 10 steps to memorial drive
2.009 Product engineering processes that special activity 

a human LCD!
2.009 Product engineering processes

that special activity
there’s a grid on Killian – pick a spot, please don’t leave gaps

you’ll see a QR code & web address – get the audio file, and put in your earbuds. Put your volume up!

countdown – 3, 2, 1, GO! (press start on the audio file)

audio cues will instruct you from there
