# Virus Attack!

Team She Wolf

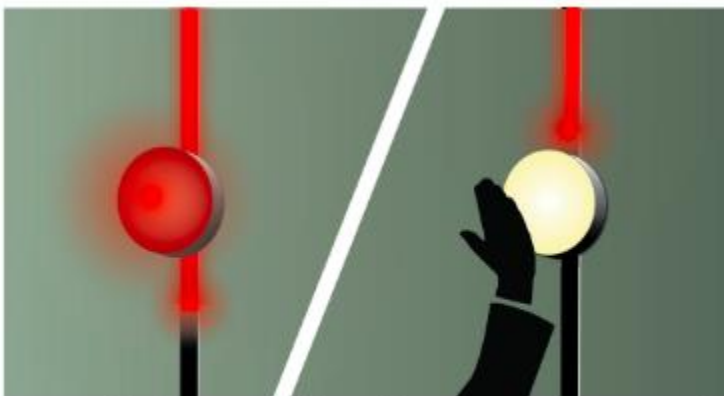

# Virus Attack

Hmm...buttons and lines on the wall.

Virus attack coming down from the top of the walls!

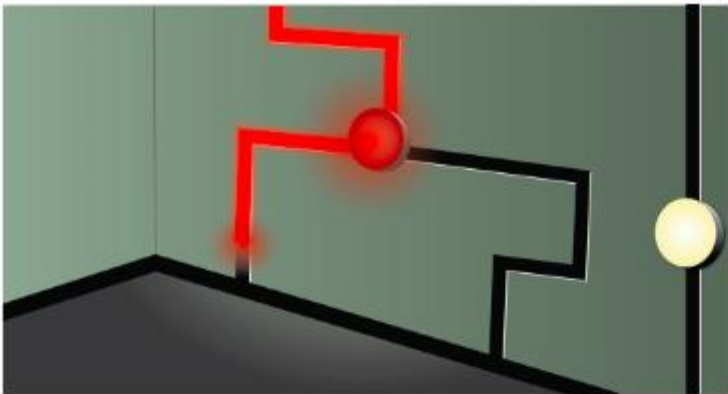

Press the button when the virus comes, and delete it and keep it back!

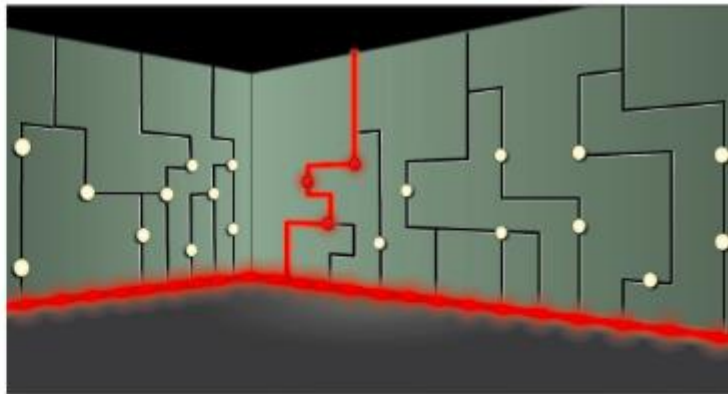

The virus is everywhere--get flexible!

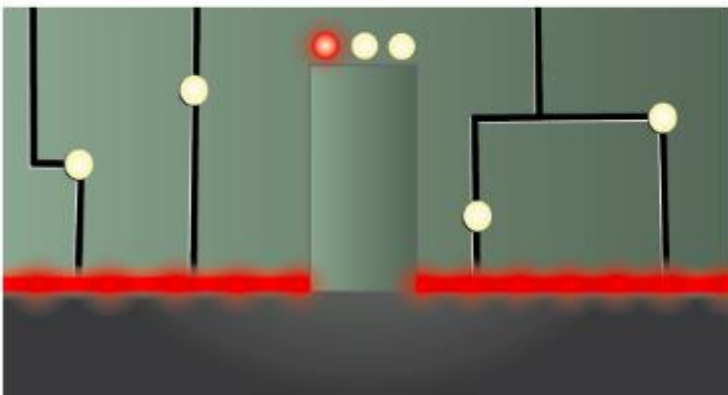

# Virus Attack

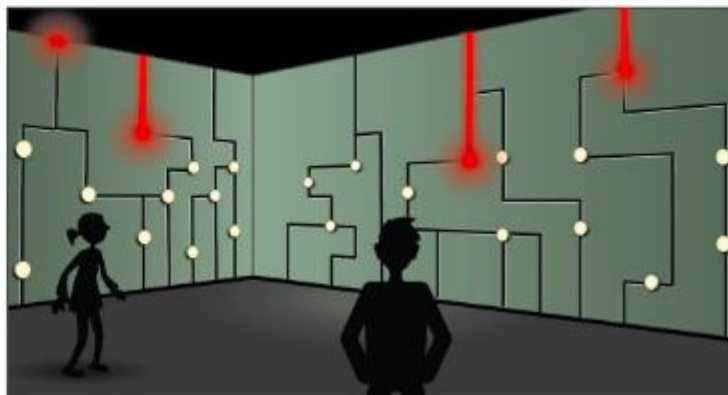

Oh no, missed one!

The virus reached "the core" and the floor perimeter lights up.

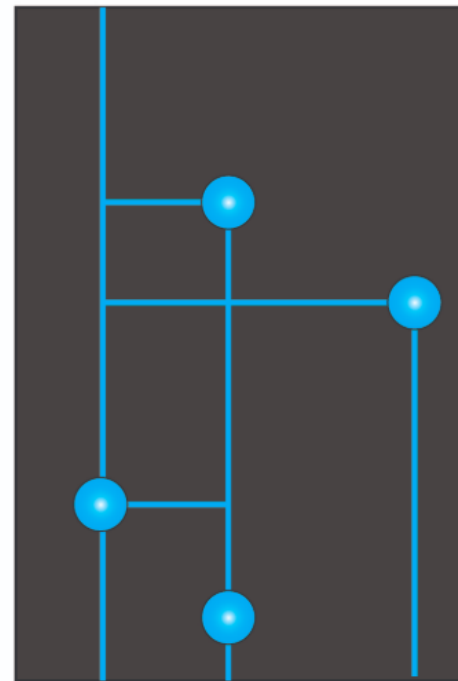

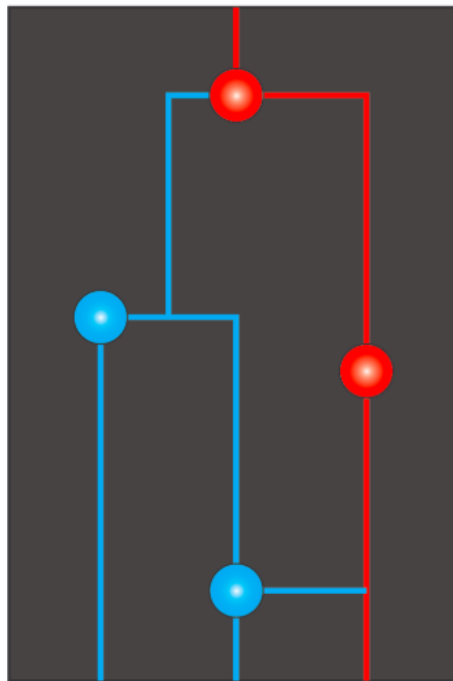

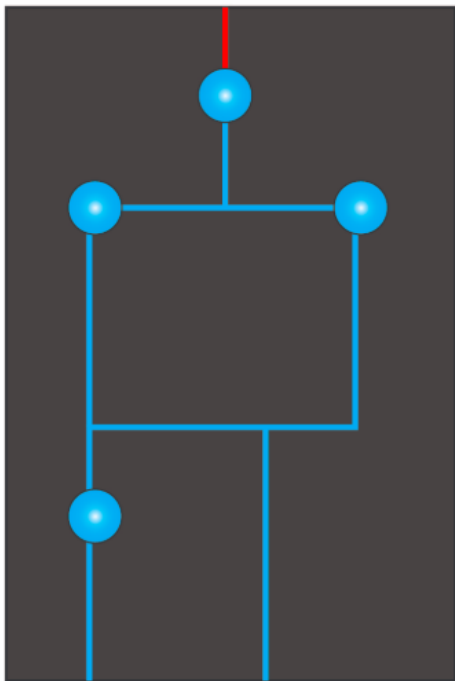

One life lost.

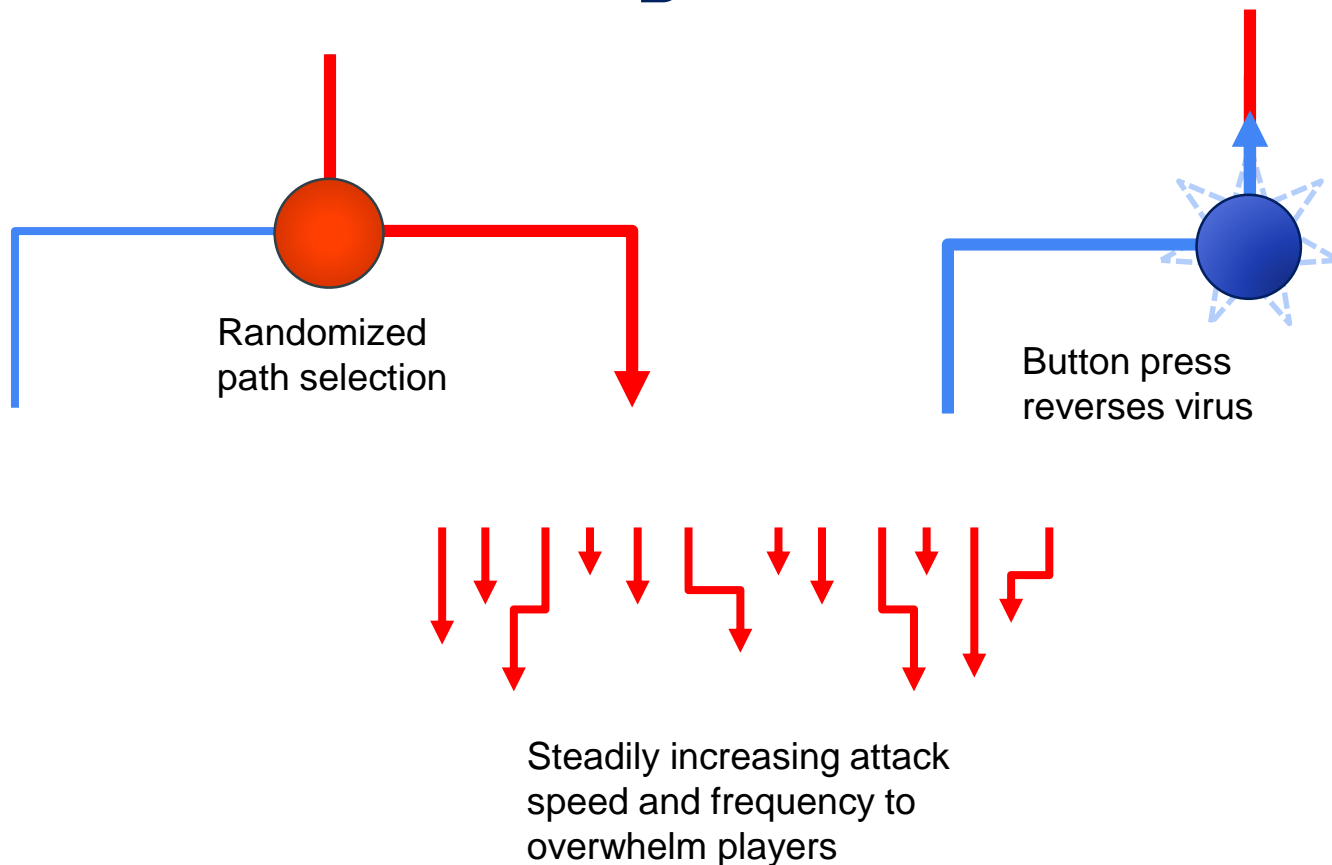

Survive the next two rounds to pass through!
