

Hingin' In There

All Tied up - Positioning an SOS Beacon

1

Open up Room

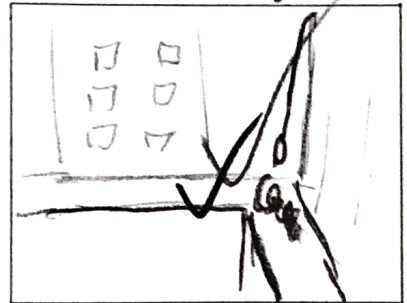

Outside looks like Skyscrapers w/ ropes hanging off. Door is made of ropes.

Enter Room, Roof

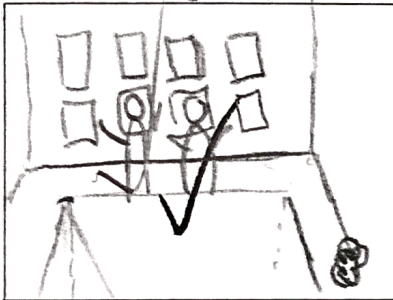

Enter onto a roof. Big drop in center. Other roofs nearby. Everybody is surprised!

See Something!

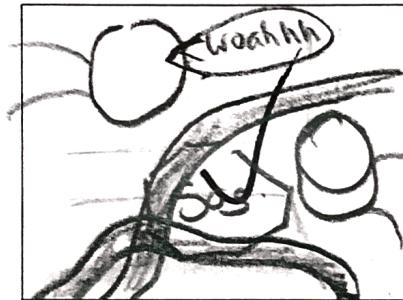

Look, there is a thing in the far corner!

Sneak along edge

Need to sneak along edge. Be careful not to fall! Use window frames for help on walls.

Find SOS Beacon

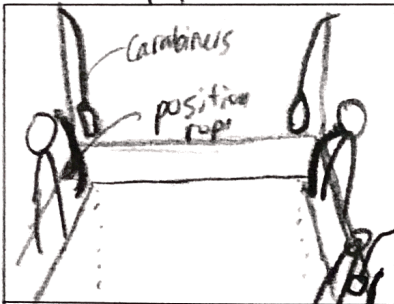

Find SOS transmitter in pile of ropes. Plans scribbled into walls about putting it under antenna.

Come on ceiling

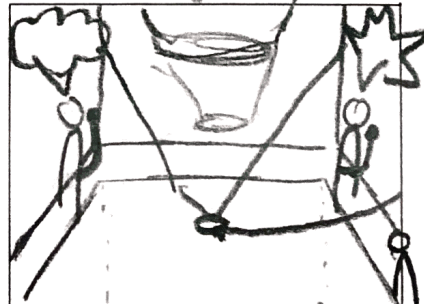

Look up to find the cone directly over the gap.

Notice Ropes in each corner

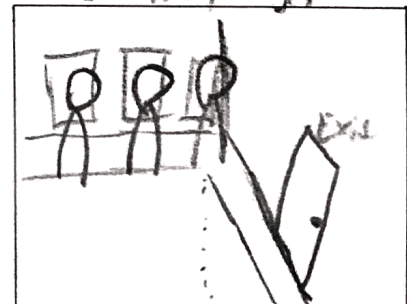

Ropes hanging from buildings in each "corner" of the room. Somebody has idea.

Work together

Need to com. to position SOS beacon. Use 3 ropes to position SOS beacon under antenna.

Everybody edges

To leave, everybody has to make it across the pit.
