

## To Download Audio Files

Please download the audio files (MP3's) to your hard disk before using them. You will need a certificate set up on your computer to access these files, so set that up before you begin. The audio files for your class are located at the address listed below.

7<sup>th</sup> Ed.

## To Obtain DL Recorder

-Go to :

<http://llarc.mit.edu/dlrecorder/>

-Fill in your information and click 'Continue'.

-Choose your platform to download the zipped archive. The archive contains the application, help and associated files.

- No installation is necessary to use the application. You will need to have a microphone to use this resource on your computer.

- From within the downloaded folder, double click the DL Recorder icon. From within DLRecorder, click "Load" and select the audio file you want to work with.
