| time | activity | details |
|---|---|---|
| 3:05–3:10 | warm up activity | in your notebook, jot down what you need to know to keep coffee hot? (that you don't already know) and how you will find out? |
| 3:10–3:35 | lecture |  |
| 3:35–4:05 | informal design presentations | |
| 4:05–4:10 | break | |
| 4:10–4:25 | collaborative design selection | |
| 4:25–4:30 | hasty FRDPARRC | |
| 4:30–4:45 | brainstorm A & R | |
| 4:45–4:55 | wrap-up | |

Homework:

- madlib project proposal
- typed FRDPARRC table for chosen design space & design (part of madlib proposal)
- at least one back of the envelope calculation (part of madlib proposal)
- pitch for review (semi-formal presentation—chalk talk &/or one or two projected images)
- perhaps engage in some preliminary research
- find at least one each of the following references of importance to your design:
  - web site
  - refereed journal article
  - patent
  - standard
  - book or textbook
