Massachusetts Institute of Technology
Department of Electrical Engineering and Computer Science

Please fill out this form in **print**. Return it at the end of today's recitation. Check the 6.033 web page after 10PM Wednesday for your new recitation. While filling out this form, please consider:

1. If you don't turn in this sheet, you will not be in the class.
2. 6.004 (or equivalent) is a required prereq; if you haven't taken it or are taking it this semester, you cannot take 6.033.
3. Sophmores are encouraged to delay taking 6.033 until they are juniors or seniors.
4. The three teammates for the second design project must have the same recitation instructor.
5. If we are oversubscribed, students will receive priority if they preregister, take 6.033 for credit, and are junior/seniors.
