Contra Notes (LA)	p.aauon or r ces, Anowalles,	_ Julei I	actor o triat arrec	. 500.07.			
	A/E, PM, Misc Expenses, and Contingency are based on standard rates that are used for all CRSP						
	Project Estimates. Project charges for design, management, and shut-downs will be based on actual amounts paid by the project for these services. 2 Construction cost includes built-in workstations in lieu of furniture workstations. 3 New fire alarm devices will be connected to panel in basement.						
	4 Existing lights will be cleaned and r	eused.					
	5 HVAC work is limited to moving existing diffusers and balancing they system.						
6 Painting and new carpet throughout.
