

SP.270 Japanese Animation: Still Pictures, Moving Minds

This spring, experience MIT's in-depth, academic approach to Japanese animation.

SP.270 explores anime's media theories, aesthetics, fan cultures, and production practices.

Students will engage in debates, readings, screenings, and interactions with guest speakers from the US and Japan.

Lecture/Discussion: W 3:30-5pm (1-379)
Lab/Screening: M EVE 7:30-10pm (4-249)
6 units P/D/F

Instructors: Sean J Leonard, with Bo S Kim
