< SUBJECT: WELCOME! AND ALSO HELP!! >

HERE IN SCI-FICISCO, WE ALIENS BELIEVE TECHNOLOGY IS THE MEANS TO A BETTER FUTURE. BUT EVER SINCE THE PLOT DEVICE -- AN IMPORTANT PIECE OF TECHNOLOGY IN BOOKSPACE -- BROKE, THE FUTURE HASN'T LOOKED SO GOOD.

WE UNINSTALLED AND REINSTALLED ALL THE APPS. WE JIGGLED THE CABLES. WE EVEN ASKED THE HOLOGRAM WHO TELLS US TO HAVE A NICE DAY EVERY TIME WE GET OFF THE SUBWAY IF IT HAD ANY IDEAS. NOTHING'S WORKED.

HELP US FIND A MISSING COMPONENT OF THE PLOT DEVICE AND ENSURE A BRIGHT FUTURE FOR US ALIENS HERE IN SCI-FICISCO AND FOR ALL THE RESIDENTS OF BOOKSPACE.

BEST OF LUCK,
THE SCI-FICISCO WELCOMING AND
PNEUMATIC TUBE REPAIR COMMITTEE
