Hi Undergrads,

Tomorrow night from 6-8pm is MIT I Messed Up, an event hosted by UA Community & Diversity and all four class councils. MIMU is meant to bring students across campus together to celebrate our failures, mistakes, and misfortunes. The goal of MIMU is to show students that failure is common among us, in a genuine, relaxed and encouraging way.

As a reminder, Committee Chair applications are due Thursday and Institute Committee applications are due Friday. UA Committees and Institute Committees are a great way to be involved with the UA and provide input to ongoing initiatives on campus.

Considered by many to be the most charming musical ever, She Loves Me is a warm romantic comedy with an endearing innocence and a touch of old world elegance. Set in a 1930s European perfumery, we meet shop clerks, Amalia and Georg, who often don't see eye to eye. After both respond to a "lonely hearts advertisement" in the newspaper, they now live for the love letters that they exchange, but the identity of their admirers remains unknown. Join us to discover the identity of their true loves...and for all the twists and turns along the way!
