

MIT – Logan Airport Shuttle

Thursday: 8:00am-9:00pm

Sunday: 6:00am-2:00pm

We will offer a complimentary shuttle service from Boston's Logan Airport to the MIT campus on Thursday, April 16 and back to Logan Airport on Sunday, April 19. On Thursday, the shuttle will be stationed in Terminal E and will leave the airport for campus approximately every half-hour beginning at 8:00am and continuing until 9:00pm. The last bus will leave Logan at 9:00pm. On Sunday, the shuttle will run from 6:00am until 2:00pm. The last bus leaving MIT for the airport will be at 2:00pm.

When you arrive, proceed directly to Terminal E. If your flight does not arrive at Terminal E, you may take the complimentary Logan Airport Shuttle to Terminal E where you will find our official airport greeters (with MIT insignia) who can direct you to the MIT airport shuttle. The airport shuttle is a green Peter Pan bus with an MIT sign on the front windshield.

If you are arriving or departing outside of the MIT shuttle hours of operation, you can take a taxi (cost about \$35). It's also quite easy to take public transportation to MIT from Logan Airport (\$2.00): take the Silver Line bus (SL1) from your airport terminal. Get off at the last stop, South Station. Get on the Red Line subway towards Alewife. Do NOT take any train headed to Ashmont or Braintree. Get off at the fourth stop, Kendall/MIT – don't forget your luggage! Ascend the escalators and follow walking instructions from Kendall/MIT Subway Stop.
