

# CPW Parking

## Temporary Drop-Off Location:

There will be a designated area near Stratton Student Center (see map above) where you will be able to park briefly to drop off your passengers and unload luggage.

**7:00am–2:30pm Thursday & 7:00am–2:30pm Friday:** We recommend that you do not bring your car to campus during these hours. Parents are advised to leave their car at their hotel and either walk, take a taxi, or take public transportation to MIT. If you can't avoid bringing your car, you can either look for limited on-street, metered parking or park in one of the pay lots within walking distance to campus (about 5-15 minutes, depending on which lot) – see the "How to get here" page of the CPW web site for more information. Approximate locations of pay lots are marked on the map above.

**2:30pm-midnight on Thursday:** Free parking is available (on a first-come, first-served basis) in MIT's West Annex Lot on Vassar Street. See map above.

**2:30pm Friday to midnight on Sunday:** Free parking is available (on a first-come, first-served basis) in MIT's West Garage on Vassar Street. See map above.
