Subject: AILG Accreditation Reviews for the 2007-8 Academic Year

As I begin work as the Accreditation Coordinator for the MIT AILG Accreditation Program, I would like to thank Herman Marshall for his work in the past year and for the introduction in his message sent yesterday afternoon.

The Accreditation Coordination web page located at <http://web.mit.edu/covert/ailgreviews/> will provide constantly updated information about our plans and progress this year.

At this time the Accreditation Committee has asked me to invite the following FSILGs to participate in the February round of reviews:

Tau Epsilon Phi
Pi Lambda Phi
Beta Theta Pi
Delta Kappa Epsilon
Delta Upsilon
Fenway House
Theta Delta Chi
Phi Kappa Sigma
Zeta Psi

The February review date is Saturday the 9th, the first Saturday after classes resume for the Spring. We recognize that some of the groups will need to be rescheduled for our other dates, which are March 1st and April 5th. I would like a preliminary reply from a member of each of the above groups no later than next Wednesday, Jan 23rd, please.

Further details of our plans may be read on the Accreditation Coordination web page: <http://web.mit.edu/covert/ailgreviews/> and further information about the program in general may be read on the AILG site at <http://mitailg.org/accreditation/accreditation.html>

In addition to the mitailg mailing list, this message has been bcc'd to our list of contacts for each of the above groups (in general the house corporation and undergraduate presidents). Group contacts are requested to review the information on the web site and reply as soon as possible.

In addition to the nine groups named above, we plan to review the following additional groups on March 1st:

AEPi, ATO, Student House, Theta Chi, Sigma Chi, and Phi Delta Theta
Representatives of these groups are also requested to visit the Accreditation Coordination website to become familiar with our procedures.

Regards,
John R. Covert
