

Hello MIT FSILG Stakeholders,

Please save this date:

**Wednesday, March 30 from 6:30 to 8:30PM**  
in the MIT Student Center, Twenty Chimneys (3<sup>rd</sup> Floor)  
for the **FSILG Alumni Officer Seminar**.

The AILG is assembling this course in response to alumni requests, to provide a summary of the many responsibilities and opportunities of today's Alumni House Corporations and Advisory Boards. Together with many of you, MIT and FSILG Office staff, the FSILG Cooperative, and AILG committee chairs, every vital topic will be summarized. You will know the people who can help you with every one of them. The session should be especially valuable to alumni/ae new to their FSILG roles, and is guaranteed to have something new for experienced hands as well. Every FSILG should have at least one alumnus attend, but more are certainly welcome.

This is a social event as well, so dinner and refreshments will be provided by the AILG. And afterwards, everyone is invited to a dutch treat reception at the R&D Pub in the Stata Center. This evening a great occasion to meet people like yourself, who enjoy working with our remarkable FSILG community and searching for ways to do our jobs even more effectively

You can sign up at: <https://spreadsheets.google.com/viewform?formkey=dGY0R3JpdI9IWmdYejl5Q01vazFCQWc6MA#gid=0>

These are the topics that FSILG alumni officers, advisors, and directors said they need to understand. Each is covered briefly, along with the resources and people available:

- AILG Overview
- AILG Committees and Services: Accreditation, Facilities, Building Safety Facilitator, Finance, Alumni Affairs
- Chapter Advisor and Advisory Boards
- Capital Planning and Fundraising Assistance from MIT
- FSILG Office and Programs: CARMA, Summer Housing, Resident Adviser
- FSILG Cooperative Inc (FCI) Overview
- Faculty Advising Program
- Independent Residence Development Fund (IRDF) grants and loans
- Insurance Update
- And more

Sincerely,  
Bryan Owens Bryson '07  
Chair, AILG Education Committee
