

Meta notes

Goal oriented expectations – not mandated

Better collective community relations

Tell our story

What does independence mean for our non housed groups

MIT better include FSILGs as part of experience for both parents

And new students

Greater impact/visibility of collaboration and philanthropy

Faculty/housemaster advocate

Clarity of expectations both ways

Start from best practices

Greater MIT response to crisis/emergency better backup

Balance of learning by doing & making sure it gets done

RA structure

MITX - change

Recruitment

Clear policy about whats independent – not dorm, not student group

Clarify type of autonomy we want with regards to recruitment

Give institute support

Make less abrupt better PR

Examine timeline summer info from MIT

Education

Academic info – respect for student privacy

Role of MIT and cities with regards to housing/ other expectations

The why

Clarify institute expectations of students to students (honor code)

More interdependent with faculty – give credit for involvement

Treat students as adults

Out of classroom education

Housing

Asses house maintenance ability

Ownership and circumstances

Partnership with MIT for dormitory licenses

Clarify/recognize of tech support

FOC repeal

Clarify dormitory services and support

Network bandwidth

Security services

Dining

FSILGs participate in MIT dining

Overturn mandated meal plans

\$ sharing of groups with dinning and integrate with campus

Judicial

Revisit involvement with alums – notifications/timeline

Explicit role with alums

How student groups interact with MIT judicial

Reassessing value of self governance

Ifc is shadow independence
