AILG Committee Reports

April 8, 2014

Accreditation— Herman Marshall (hermanm@space.mit.edu). The Accreditation Committee continues to monitor the results of accreditation reviews and examine how to improve related processes. For example, we are going to engage "reservation trackers", who will keep track of progress toward clearing reservations between reviews. At our next meeting, at 4PM on May 5 in W59, we will spend most of the time drafting standards for a new system of living group evaluation. We invite all members of the AILG to join in this development effort.

Facilities – Peter Cooper (plcooper@alum.mit.edu). Boston assembly occupancy report by code consultant submitted to ISD. Others will report on feedback. Architect reports on Cambridge houses nearly complete.

Boston roof deck certification guidance and architect referrals provided. One Boston house has developed submittal so far. Use/loading guidelines will be issued by Facilities Committee.

Capital/Condition Survey RFP developed. Two houses will be pilots.

Floor plan update/enhancement by MIT Facilities is awaiting cost estimate from MIT Facilities. One house (PBE) will be done as a pilot initially.

Progress on leases for MIT owned houses has bogged down. AILG Board members helping to expedite.

IT/Telecom – Bob Ferrara (rferrara@alum.mit.edu). The AILG-IT committee continues to work with IS&T to develop future upgrade paths for both the wireless and wired network infrastructure. The CNUP Network infrastructure, installed circa 2009, continues to functioning well even though most of the equipment has reached, or exceeded, its end of life.

The Fiber upgrade in Boston, this past summer, was the first major upgrade post CNUP.

The next upgrade will be to replace the Wireless systems with a WIFI AC standard system. This is being considered for two reasons. First a few of the Wireless Access points are starting to fail which is consistent with what IS&T is seeing on campus. Second the new WIFI AC wireless standard is now available which will increase available wireless bandwidth.

The committee hopes to have a set of upgrade paths by July. These will include equipment specifications, costs, funding options, and time frames for deployment.

Strategic Planning – Steve Baker (sbaker@baker-wohl.com). Please see the Strategic Progress Report handout.

Finance – Ernie Sabine (esabine@alum.mit.edu). Please see the Preliminary AILG Housebill Survey report (below). Contact Rich Possemato (posse@alum.mit.edu) with comments and questions.

Insurance – Stan Wulf (sawulf@enters.com). The AILG insurance policies have been renewed effective April 1, 2014. The property and D&O insurance rates have remained relatively stable, but the liability insurance rate increased by about 9%. The insurance certificates will be placed in the member's document lockers at the FCI shortly after they are received, which will be several weeks from now. Twenty-one members plus the AILG are covered by the liability insurance, 19 members plus the AILG are covered by the D&O insurance, and 31 properties are covered by the property insurance.

Fiscal Year 2014 Budget

Fiscal Years ending June 30, 2013 & 2014

The budget for the 2013-2014 fiscal year (FY14) was approved at the June 12, 2013 Annual Meeting.

Expenses	FY 2013 Budget	FY 2014 Budget
Education	4,000	2,500
Accreditation	12,200	12,500

Total Income	100,000	135,500
Net Surplus (Deficit) for Year	(3,800)	(3,600)

* Note: Funding requests currently in process, subject to change

The FY14 budget maintains basic AILG member dues at \$450. Not shown in the FY14 budget are AILG, Inc.'s expected year-end assets of approximately \$40,000.

As in previous years, the SLI program fees are separated into a mandatory \$500 fee per municipally licensed building for the SLI Registration program, and an optional \$500 fee for participation in the BSF program. In FY14, the new Building Network Support program will charge an optional \$1,000 fee for each building. Therefore most member organizations will pay \$2,450 next year: \$450 in AILG basic dues, \$500 for SLI registration, \$500 for optional BSF participation, and \$1,000 for optional BNS participation. Organizations with two buildings will pay \$4,450 (an extra \$500 for SLI registration, an extra \$500 for BSF participation and an extra \$1,000 for BNS participation), and organizations without buildings will pay only \$450.

We wish to acknowledge with gratitude the funds provided by our alumni (through the IRDF) and by MIT DSL in support of the AILG and its programs. Remember the AILG books contain no entries for the time and effort of MIT staff or the work and contributions of the AILG volunteers who spend many hours assisting their undergraduate students and our programs.

High Priority Strategic Plan Initiatives Continuing Activities

Initiative #2.1: Articulate the autonomy of the FSILGs at MIT and their interdependence with MIT

Remaining Actions:

1. Complete the Relationship Framework document and get all member organizations (alumni/ae and undergrads) on board.

Initiative #3.1: Create a plan to ensure every FSILG house has similar or better facilities than on-campus residence halls

Remaining Actions:

1. Complete pilot conditions assessment. Encourage all organizations to do a similar assessment on their properties.
2. Continue to explore feasibility of a new Greek Village on or near campus.

Initiative #3.4: Develop tools to educate our member groups on capital planning

Remaining Actions:

1. Task largely complete.
2. Continue to publicize the capital planning model to member groups.
3. Update model with additional property data as it becomes available.

Initiative #3.5: Address lease challenges in MITIMCo-owned leased housing

Remaining Actions:

1. Negotiations with MITIMCo are ongoing.
2. Maintain the high profile of this issue until all lease issues are clarified.

Initiative #4.1: Make the recruitment program more effective and efficient, especially with regard to its cost, timing, and stress on participants, and dissemination of information about member groups to potential members.

Remaining Actions:

1. Continue data gathering.
2. Create a campus-wide discussion (via a committee or task force) about recruitment and how stakeholder concerns may be better addressed.

Initiative #4.2: Engage with MIT on ways to better integrate the recruitment program and FSILG membership with MIT's First-Year Experience program.

Remaining Actions:

1. Roll this into 4.1; same objectives and activities.

Initiative #5.1: Develop new models for encouraging engagement between alumni/ae and their FSILG

Remaining Actions:

1. Continue to publicize best practices through workshops and seminars.

Strategic Plan Initiatives

Areas Requiring MIT Involvement

Many of the plan's major initiatives cannot be accomplished without significant involvement by – and often support from – the Institute. To successfully complete them, the following plan initiatives, listed in descending priority order, require the active participation by the Division of Student Life (DSL) or other MIT departments. Further, once these initiatives are underway, most will require sustained involvement and oversight by and follow-through from institutional staff to sustain the vitality of the FSILG community:

- Participating in and endorsing the [MIT-FSILG Relationship Framework document](#), which includes expectations set forth for one another by the Institute, students, and alumni. (Initiative 2.1)
- Supporting the creation of and engaging with a future Orientation / Recruitment Review Committee to provide oversight and institutional guidance on the recruitment programs for the three student councils. (Initiative 4.1)
- Studying potential sites for the possible relocation of multiple FSILGs to new housing (a “Greek Village”) built on or near the campus. (Initiatives 3.1, 3.3, and 3.5, and perhaps also 3.4)
- Providing assistance with housing survey costs and administration to effectively evaluate the FSILG living option and offer an ideal student experience at MIT. (Initiative 3.1)
- Exploring how the campus dining program might be made more flexible to support off- and on-campus FSILG students. (Initiative 1.4)
- Supporting Faculty Advisor appointments to student governing councils in order to emphasize the importance of faculty involvement within the FSILG community. (Initiative 2.3)
- Considering an FSILG Housemaster or an equivalent role, to assure that FSILG students have access to the same faculty resources and assistance as those in the residence halls. (Initiative 2.3)

Summary

FSILG housebills continue to increase at 2-3% per year (\$7,656 average for the 2013-14 academic year). In contrast, MIT residence hall charges have increased at 4-7% per year. FSILG housebills (many of which include meal plans) are now slightly lower for the first time than rooms in MIT residence hall costs, which notably exclude meal plan costs (\$4,774 to \$3,078, mandatory in some residence halls).

Participation and Survey

As of April 9, 2014, 32 organizations have replied to the housebill survey. This includes four resident sororities, five independent living groups and 23 fraternities.

Findings

Occupancy

Twenty-four of 32 organizations reported operating at above 80% of the ideal capacity reported by each chapter, a slight improvement over last year. In total, all participating groups housed a total of 952 students out of an occupancy of 1134 (84%, 182 empty beds). Improvements in occupancy numbers are driven by a small increase in community-wide membership and a small reduction in the total number of available beds. Similar occupancy numbers were reported for the Summer 2013 period compared to the academic term, slightly down from Summer 2012 in which most houses operated at capacity during the summer.

Resident Charges

The average Fraternity, ILG, Sorority and community-wide Housebills are shown below. Overall, the increase in FSILG Housebill was 1% from the 2012-2013 to the 2013-2014 academic year, and 15% total over the 2008-2009 to 2013-2015 five-year period.

	Fraternity	Sorority	ILG	FSILG-wide
2013-14	\$7,759	\$9,110	\$6,022	\$7,656
2012-13	\$7,388	\$8,955	\$7,117	\$7,576
2011-12	\$7,357	\$8,569	\$5,933	\$7,376
2010-11	\$7,184	\$7,882	\$5,734	\$7,132
2009-10	\$6,966	\$7,831	\$5,766	\$6,925
2008-09	\$6,976	\$7,529	\$5,133	\$6,671

*Note that the same houses did not participate in each period.

Several chapters reported a decrease in their Housebill compared to previous years. However, community-wide the trend is ~2.6% increase per year.

% Housebill Change, by chapter

(No. of Chapters)	<0%	0-2%	2-5%	5-10%	10-15%	15-25%	>25%
One Year	6	8	5	3	0	3	2
Five Years	2	0	2	5	4	6	5

Non-resident Charges

The average Fraternity, Sorority, ILG or FSILG non-resident housebill for the year is reported below. The amount charged to non-residents varies considerably from chapter to chapter.

Freshmen	Fraternity	Sorority	ILG	FSILG-wide
2013-14	\$653	\$894	\$239	\$619
2012-13	\$498	\$987	\$273	\$541
2011-12	\$521	\$744	\$123	\$511
2010-11	\$588	\$692	\$140	\$588
2009-10	\$628	\$545	\$325	\$595
2008-09	\$622	\$790	\$110	\$540

Non-Freshmen	Fraternity	Sorority	ILG	FSILG-wide
2013-14	\$816	\$709	\$255	\$715
2012-13	\$655	\$673	\$223	\$614
2011-12	\$751	\$619	\$ 47	\$663
2010-11	\$775	\$684	\$300	\$775
2009-10	\$833	\$506	\$450	\$761
2008-09	\$810	\$662	\$203	\$701

Summer Housebills

The amounts collected for the Summer of 2013, per summer resident, are reported below. These data were not collected in 2008.

Summer	Fraternity	Sorority	ILG	FSILG-wide
2013	\$1425	\$1419	\$1235	\$1392
2012	\$1469	\$1390	\$1377	\$1449
2011	\$1387	\$1538	\$1241	\$1392
2010	\$1219	\$1369	\$1291	\$1246
2009	\$1033	\$1322	\$928	\$1058

Meal Plans

All chapters except three reported providing some meal plan. Seven organizations provide dinner only four-six days per week. Many of the other houses provide some variation of an open pantry policy for breakfast and lunch. The housebill charged did not correlate to the number of meals provided.

Comparison to Residence Halls

The average room in a residence hall (all singles, doubles and triples) costs ~\$7,849 per academic year, excluding food costs. The current MIT meal plans vary in cost from \$4,774 to \$3,078 for 19-10 meals per week. The complete survey will attempt to draw a more direct comparison between FSILG and residence hall room plus board costs.

Finally, to examine the change over time in cost of a representative Residence Hall room, the year-over-year increase in cost for a Double in Baker House was 6.67% from 2003-2010. However, the change in cost from the 2009-2010 to 2013-14 academic years was ~4-5.5%, a departure from the 6-7% increases which have been standard over the last seven periods from which we have data. MIT is increasing the cost of a Double in Baker by 4.5% going into the 2014-2015 academic year. These numbers exclude the additional cost of the meal plan mandatory in some residence halls.

REUNION OPEN HOUSES

JUNE 6, 2014 COMMENCEMENT

Dear AILG Friends,

Thank you for your great response last June in hosting **Open Houses** for alumni returning to Reunions. We are finding that alumni returning for Reunions really look forward to seeing where they lived as undergraduates and seeing how it looks today,

We hope every FSILG and Residence Hall can plan to have an Open House or some event during the 2014 Commencement Weekend, June 5-8, 2014. If you would like your event listed in the printed Reunion Program Book, please let me know at kcasey@mit.edu by **November 28**. If you decide to participate later, we can include your Open House only on the Reunions Web site. In any event, all participating living groups will receive a list of their returning alums, a few weeks before Reunion time.

The official time slot for these Open Houses is *Friday, June 6, 2014* from 3 to 5PM. There will be no other major Reunion or Commencement activities during this time. The 2014 Reunions celebrate classes ending in '4 and '9. The preliminary schedule is here, https://alum.mit.edu/networks/Classes/TechReunions/Preliminary_Schedule.

Please remember there is some planning and coordination with the undergrads to host an Open House. At a minimum, the Open House should consist of simple refreshments and some house members (students or alumni) to welcome visitors to the building. Beyond that, you can make the open house as elaborate as you want. We realize that in early June, most FSILGs and Residence Halls are in transition, so it will take a real commitment to be ready to welcome people. It is important that all make a real effort to have the houses presentable during the hectic June transition period.

If you decide to have an Open House at your FSILG or Residence Hall, here is how we can support you:

- List your event in the printed MIT Reunion Program book, which every Reunion attendee receives (only guaranteed for chapters who contact me by November 28).
- List your event on the Reunion web site
- Send a list of your local alums, whom you can also invite
- Two weeks before, we will send you a list of your alumni registered for Reunion
- Have a free Boston shuttle bus from 3-5PM on Friday. The route and stops appear in the Reunion Book
- Drop off a big "Welcome Alumni" or "Welcome Alumnae" sign to participating groups

Thanks,
