Campaign Pre-Planning Checklist (Questions to consider prior to outreach for fundraising support):

1. Consider a dollar target for your campaign (this may include a feasibility study; architectural or renovation specs and projections; and discussion among alumni leadership).
2. Discuss with other alumni leaders to explore consensus.
3. Consider sources of funding including the IRDF; SPGH; possible grant support from national HQ office.
4. Having given initial thought to topics 1-3, reach-out to your Annual Fund and Alumni Association contacts for follow-up and discussion.
