

AILG Facilities Minutes April 20 Meeting:

Approval of March minutes

Review of the state of roof deck approvals

Presentation of the BSF:

Locks on doors: some locks are appropriate some are not we will be posting a primer of what is acceptable and what is not on our web page

There was discussion of members response to visits from the local police.

No action was taken in response to this issue, but the consensus was that this was an educational issue

The idea of creating content through micro learning with regards to the issue

The idea of presenting a master lease was presented, one term of use was license vs a contract

Promotion of the Alumni House Manager
