

AILG Facilities Committee meeting August 10, 2016 8:00 am in FCI Office W20-020 Student Center.

Attendees: Patrick McCabe, Tom Stohlman, Oscar Argueta, Scott Klemm, Tom Holtey, Bob Ferrara, Dennis Collins, Peter Cooper (by phone).

Reaction from some alumni on one BSF inspection per semester vs one per year. Facilities Committee can say it is because of increased pressure from municipal inspectors. Dennis will distribute to us MIT Housing's practice on inspections.

Lofts still an issue at DTD. If it is a mezzanine, it requires guard rails.

Pika ventilation duct for kitchen exhaust: confusion on interpretation of regulations.

No new developments on July 4 roof deck incident. FSILG Office is dealing with it.

(Cooper left meeting at 9:00. Additional notes should be added by others.)

Next meeting Wednesday September 21 at 8:00 am
