Zenovia Toloudi

Visiting Assistant Professor
Wentworth Institute of Technology

PRIVATE/PUBLIC

Billie Tsien

Architect
Tod Williams Billie Tsien Architects

ZONGO WATER PROJECT

Emily Anne Williamson

SMArchS Candidate, AKPIA@MIT

This symposium aims to define the right to architecture, trace the development of the idea in the recent past and evaluate architectural and urban projects rooted in the belief of its universality. Speakers are invited to share thoughts and reflections on this idea and propose ways to insert it more constructively in the current architectural discourse.

**APRIL 20, 2013, MIT 6-120
