

MIT Anime Club Karaoke Request Form

Karaoke will be on 1 December 2007 (a Saturday) in the afternoon, room and exact time TBA.

You may request songs to sing. We will try very hard to provide at least one of your choices to sing at the event. If you are not sure what you'd like to sing, please consult our extensive list of songs we already have in our library. We will provide music and lyrics to you beforehand so that you may practice your song(s), and we will project the timed lyrics on a screen at the event.
