Re: Department of Athletics, Physical Education and Recreation (DAPER) Student Summer Access Fee

As published in the Recreational Sports Program Guide and on the Recreation website, a $40 student access fee for use of DAPER facilities during the summer months has been approved. This fee is necessary in order to maintain the service DAPER currently delivers. Similar to summer housing and dining fees, the summer DAPER access fee will provide necessary support to maintain the summer programs, services, and hours of operation.

We will continue to have many summer offerings in which we hope you take part. All students who pay the fee will have full access to all of DAPER’s facilities including the sailing pavilion, boat house, the sports amenities in the DAPER central complex, Alumni Pool and Wang Fitness Center, Briggs Fields, duPont outdoor tennis courts and Lincoln Lab in Lexington, Mass.

The student summer access fee will provide access from June 15 through August 15. DAPER access will be removed from student cards the night of June 14. We ask that you remove your belongings from your locker if you do not plan to use the facilities over the summer by June 14th. You may purchase your summer access beginning May 7th at the main desk of either the Zesiger Center or Alumni Pool and Wang Fitness Center.

Students who return in the Fall 2007 semester, but did not have summer access will have their access restored on August 16.

We hope that you plan to utilize the DAPER facilities throughout the summer. DAPER continues its commitment to provide quality programs, dynamic classes, and well-equipped facilities to assist you in achieving your fitness and recreational goals.

For frequently asked questions and additional information on DAPER facilities and programs please refer to the website http://web.mit.edu/daper/.
