As we strengthen our recruiting efforts, we thought it would be appropriate for the student-athletes to share with recruits their perspectives on MIT. **Why choose MIT? and compete in athletics?** You could go in a number of different directions with your response, but the main objective would be to announce MIT's point-of-difference (e.g., passion, leadership, friendship, championships, etc.). We would like to include the most insightful comments in future alumni and recruiting efforts.
