Hidden Freshman Grades Released to MIT Careers Office
 2007 Application

Student Name: _____ **Signature** _____
First Last

To the applicant:

Please list below the Hidden Freshman Grades that you are releasing to the MIT Careers Office. Once ALL of these grades arrive in the office, and the rest of your file is complete, you may request that your grades be released to the Health-Related Professions schools that require them.

To release your Freshman Grades:

You must specify on the School Designation form that you want your Freshman Grades to be released and indicate to which schools they should be sent.

Note: if you release your Grade packet separately from your Recommendation Packet, this will be considered an additional mailing, and may add additional costs.
