NEW for DENVER! I&EC Division Graduate Student Award Symposium
CALL FOR PAPERS FOR 242nd National Meeting, Denver CO, Aug 28-Sept 1, 2011

The Industrial and Engineering Chemistry Division/ I&EC requests papers for its First Annual Graduate Student Award Symposium. This event allows outstanding graduate students in the chemical sciences to disseminate their research to the global professional community. The Division seeks papers that are relevant to industrial and engineering chemistry in general, and/or to the subdivisions within I&EC, which are: Applied Chemical Technology (ACT); Green Chemistry and Engineering (GCE); Novel Chemistry for Industrial Application (NCIA); and Separation Science and Technology (SST).

Award Details
The graduate student lead author of accepted papers will be awarded an ACS members meeting registration fee. The third place presentation will be awarded an additional $250. The second place presentation will be awarded an additional $500. The first place presentation will be awarded $750. All submissions and presentations will be evaluated by a panel selected by the Division. To be eligible for any award, the presenter must be a student at university, pursuing a graduate degree in the chemical sciences and engineering at the time of the symposium.

How to Submit a Paper
Graduate students must apply for the Student Award Symposium by submitting an entry consisting of a research summary limited to 1800 words and less than five total pages, including an abstract of less than 250 words. The submission is to be made electronically, to the I&EC Program Chair (iecprogramchair@gmail.com). The entry must include a letter of recommendation from the student’s research advisor. Students must also input their abstracts in the ACS abstracts system. The deadline for entry will be March 21, 2011.
