DOW CHEMICAL CAREER EVENT

The Dow Chemical Company is one of the world’s largest and most diverse specialty chemical companies with a strong commitment to innovation.

You are invited to join Dow Chemical Recruiters for an informal session to learn more about the exciting opportunities at Dow and get your questions about careers in Dow R&D answered.

Presentation: “Technology Development at Dow”

Presenters:
Peter Trefonas, Senior Fellow, Dow Electronic Materials, Marlborough, MA
Tom Kalantar, Fellow, Dow Coating Materials, Midland, MI
Florian Schattenmann, Sr. R&D Director, Polyglycols, Surfactants, Fluids and Dow Automotive, Midland, MI

Stratton Student Center (Building W20, room 302)
Tuesday, May 15, 10:30-11:30 a.m.

The presentation will be immediately followed by a pizza lunch/ Q&A session.
