The Office for the Dean of Graduate Education is pleased to announce the

Panel on Academic Publishing for Graduate Women

May 10, 2012
5:30 pm – 7:30 pm
Koch Institute Auditorium
76-156

Join us for a lively discussion about publishing your scientific work featuring a panel of four amazing women from Cell Press, the Smithsonian Institution, and MIT.

We will begin serving dinner at 5:30 pm with the panel discussion starting at 6:00 pm.

This event is free, but space is limited! Please register by May 3, 2012 at signup.mit.edu/gradwomenpublish (MIT certificates required).

Panelists

Sangeeta Bhatia
is the John J. and Dorothy Wilson Professor of Health Sciences and Technology & Electrical Engineering and Computer Science at MIT. She is a Fellow of the American Institute for Medical and Biological Engineering.

Andrea Dupree
is a Senior Astrophysicist at the Harvard-Smithsonian Center for Astrophysics and Past-President of the American Astronomical Society. She has also served on and led numerous committees of the US National Academy of Sciences and NASA.

Paula Hammond
is the David H. Koch Professor of Engineering at MIT and an Associate Editor at ACS Nano. She has been recognized with the NSF Career Award, the EPA Early Career Award, the 3M Innovation Fund Award, and the DuPont Young Faculty Award.

Elena Porro
is the Senior Deputy Editor for Cell – one of the preeminent life sciences journals. She has also contributed to the Cell Podcast and is on the organizing committee for the upcoming Cell Symposia – Human Immunity.
