POITRAS PRE-DOCTORAL FELLOWSHIPS

TWO FELLOWSHIPS WILL BE AWARDED TO MIT STUDENTS WHO ARE PRE-DOCTORAL CANDIDATES ENGAGED IN BIOMEDICAL ENGINEERING AND/OR BIOPHYSICS RESEARCH IN THE LABORATORY OF AN MIT FACULTY MEMBER. EACH FELLOWSHIP PROVIDES TUITION, HEALTH INSURANCE, A MONTHLY LIVING STIPEND AND WILL BE AWARDED FOR A ONE-YEAR PERIOD, BEGINNING IN SEPTEMBER 2013 through AUGUST 2014.

APPLICATIONS ARE DUE ON OR BEFORE APRIL 4, 2013 AND SHOULD INCLUDE:

- CURRICULUM VITAE
  Include MIT telephone number and MIT current address
  Non-US Citizens are eligible to apply.

- OFFICIAL MIT GRADUATE TRANSCRIPT (paper or digital copy accepted sent directly from Registrar’s office.)

- RESEARCH PROPOSAL (Maximum 2-3 pages) must be original work of individual applicant. Group projects should not be submitted. Applicant must have completed first year of study. Proposal should consist of area to be studied during the year of the fellowship; and an additional short summary of research, about two paragraphs in language that can be understood by a general/non-scientific audience. MUST specify the MIT faculty member and the lab location where the research will take place.

- TWO LETTERS OF RECOMMENDATION
  (At least one must be from a MIT faculty sponsor)

- ONE LETTER OF SUPPORT MUST BE FROM THE MIT FACULTY MEMBER/ADVISOR WHOSE LAB WILL HOST THE RESEARCH.

SUBMIT APPLICATIONS TO:

Debra L. Martin
Programs Manager, Vice President for Research Office, Room 11-268
