Lessons I've Learned In My Life As An Engineering Leader

A presentation by Bernard M. Gordon (MIT ’48, M.S. ’49)

Friday, April 5
1:00 - 2:00 PM  32-123

Awarded the National Medal of Technology by President Reagan in 1986, Mr. Gordon has represented the key creative and essential role of the engineer in the development of new technology.

In this lecture, Mr. Gordon will share some of the valuable and enduring lessons he's learned in his lifetime as an engineering leader.
