Dear MIT Student,

In case you may be considering double majoring with Course 15, effective immediately, 6.00 can be used to satisfy the computer requirement for Course 15.

The requirement now stands as:

1.00 (or 6.00, or 6.005)

Please contact me, skarkut@mit.edu, or Mary Camerlengo, mcam@mit.edu, with any questions.

The Course 15 website will be updated to reflect this change later in the term.
