*** 56-502 is reserved from 10am – 1pm for both July 29th and August 5th**

Notes:

We are both away on Wednesday, July 8th (for the HHMI Prof. meeting), so the mentor meeting was moved to Thursday that week.

I think you mentioned that you are away on August 5th, so I moved your workshop on preparing and giving and effective presentation to July 29. Does that date work?
