

Cambridge/MIT Exchange Physical Education Points

Process for MIT students to receive Physical Education Points while at Cambridge University

- Students are encouraged to declare to the MIT Physical Education Office in advance of their sport participation that they wish to receive physical education points. The request form*, available in the CME office at MIT, is to be filled out and returned to the Director of Physical Education at MIT.

In the event a student decides to participate in a sport after arriving at Cambridge, he/she must **notify the MIT Director of Physical Education no later than the next semester immediately following his/her participation of the request for P E points.**

- In either case, the request will be forwarded to Karen Pearce – Fenner’s Physical Education Center, at Cambridge University.
- Karen will provide documentation to the MIT Physical Education Office at the completion of the student’s participation. **Verification** must be received **no later than the semester immediately following the student’s participation in a sport at Cambridge University.**
- Karen will recommend 2 or 4 points depending upon the activity.

Guidelines for awarding points

4 Points for a Full Blue – as awarded by either of the Blues Committees
2 Points for a Half Blue – as awarded by either of the Blues Committees
Points for Discretionary Blues will also be accepted as recommended.
