

Current Committee Membership

HASS Requirement, Subcommittee on the

It is the responsibility of the CUP subcommittee to guide the next phase of implementation of the revisions to the HASS Requirement, and to govern the HASS Requirement as laid-out in the motion approved by the Faculty on May 20, 2009. To that end, subject to final approval by the CUP and the Faculty, the subcommittee shall act with power to:

- Engage academic departments, the School deans, the Committee on Curricula (COC), the HASS Education office and other interested parties to participate in the process as appropriate.
- Establish criteria, procedures, and guidelines for the distribution or designation of HASS subjects that will satisfy the HASS Requirement and communicate these to the appropriate parties.
- Evaluate proposals from all Schools and assign new or modified HASS subjects to categories in accordance with criteria. These efforts should be coordinated with departments and sections, the CoC, and others as necessary.
- Review and approve any new or modified Concentrations within the HASS Requirement. This process should include collaboration with the departments and sections, the CoC, and others as necessary. Monitor policies associated with the HASS Requirement and revise or develop new ones as necessary.
- Maintain the official list of HASS subject category designation, HASS subjects to complete the HASS Requirement, and the official list of Concentrations. Report to the CUP yearly.
- Working with the CoC and the HASS Education Office, shall oversee individual student requests for exceptions or substitutions to the HASS Requirement.
- Propose to the CUP limited educational experiments that the Subcommittee deems appropriate for assessing changes to the curriculum and educational policies and practices.
