Nominations, Committee on

The Committee on Nominations consists of six faculty members appointed by the President, who designates the chair from among the membership. The committee nominates the following officers of the Faculty: chair, associate chair, and secretary; it also nominates candidates for the elected membership of the Standing Faculty Committees. The list of nominees is circulated to all faculty members no later than the April meeting of the Faculty. During the year, the committee has the power to fill any vacancies that may occur among the officers of the Faculty or in the elected membership of the Standing Faculty Committees.
