USE THIS FORM TO…

- petition the Subcommittee on the Communication Requirement to defer completion of a CI subject;
- substitute a CI-M from a department outside of your major to count as a CI-M for your major;
- or if, as a double major candidate, you wish to use one major’s CI-M to count as a CI-M for both majors.

Please note that these examples represent the most common types of petitions. You may petition under other circumstances. If you have any questions regarding the petition, we strongly urge you to contact the Office of the Communication Requirement (see contact information below).

THE PETITION PROCESS

1. Complete the form.
2. Make two copies of the original petition: one for yourself and one for your academic advisor.
3. Submit the completed original petition with signatures, statements, and any supporting material to Room 5-133.

Petitions are accepted on a rolling basis and reviewed approximately every other week during the fall and spring terms. Students will be notified within one business day of the Subcommittee’s decision.

STUDENT STATEMENT

In your written statement, please explain your request and the reasons you are making it. If you are petitioning to substitute a CI-M from a department outside of your major to count as a CI-M for your major, especially if you are on a flexible degree track, be sure to include information detailing the focus of your program of study and how the CI-M fits into this program. In some cases it may be helpful to include a list of subjects you are taking to fulfill your major requirements.

ADVISOR STATEMENT

A short statement from your advisor is required for all petitions. Advisors may write their statements on the petition form, or on a separate sheet, or email them to commreg@mit.edu.
