Dear Libor,
Could you confirm when the beetles are sent and what the tracking number is?
Thanks,
Christine

Hi Libor,

How long does registered mail take? Is there a fast option for shipping? Will we receive a confirmation number to track the package?

thanks very much.

All the Best,

Christine

Hi Libor,

OK, we would like to order the 10 Pheropsophus africanus species which will be 30 Euros from your Spreadsheet. If we do Western Union it will be \$US43. I will ask my assistant to take care of this tomorrow. If the Beetles arrive and are good after payment, we will probably want to buy more.

All the Best,

Christine

Dear Christine,

I have the beetles in attached file available.
The very similar species identified specialists (D. Wrase, J. Pulpán, J. Macek, J. Hrdlicka) according to genital organs.

If you are interested in the Brachininae - my proposal method of payment :

I would be glad if you send me in advance the payment 50 - 100%. As soon as I receive your payment, I will send to you a registered parcel.
Your countrymen send the payments via Western Union - (tell me Money Transfer Control No.)
or bank transfer ? My bank account in EURO.
I prefer Western Union.

Dear Libor,

I am still interested in the various Brachinus species you have. I was wondering if you can send me the procedure you use for identifying the species? The different Brachinus species are very similar. I need about 5-10 beetles of a single species, but I need to make absolutely sure that the species is correctly identified and that all beetles received are of the same species.

Thanks very much,

All the Best,

Christine Ortiz

Dear Libor,

Thanks very much. How have they been dried and treated? I am interested in one of each species. Could you prepare an invoice/bill and send to me?

Thank you again,
