GIFT! Please return a signed copy to confirm receipt. Only for our statistics!
The loan is addressed to Ms. Ayn Inserto

Total: 1

Loans are issued to scientific institutions only, and the institution is responsible for the loan. Loans are made for one year, except type material, for which the time is 6 months. Extension can usually be negotiated.

Specimens are to be returned, properly packed, in the condition they were received; any kind of preparation, whatsoever, requires permit. Prepared, sectioned or coated specimens are still part of the loan, and are to be returned.

Sign and return one copy. Material received(date).

This loan must be returned before
