Stores & Distribution

Hannaford currently operates over 140 supermarkets in Maine, New Hampshire, Massachusetts, New York and Vermont under the name Hannaford Food and Drug or Supermarket and Pharmacy . Our major market areas include:

- Portland and Bangor, ME,
- Manchester, NH,
- Albany, NY
- Burlington, VT.

We feature a variety of store formats, including: combination stores, combination stores with pharmacies, conventional supermarkets, and conventional supermarkets with pharmacies. Currently the average store size is 48,200 sq. ft.; current prototype sizes range from 35,000 to 63,000 sq. ft.; and 91 stores have in-store pharmacies.

All of Hannaford's retail stores and 25 wholesale customers (independent supermarkets) are supplied by three company-owned and operated distribution and trucking centers. Our two full-line grocery distribution/transportation centers are located in South Portland, ME (520,192 sq. ft.) and Schodack, NY (489,000 sq. ft.) General merchandise, pharmaceuticals and specialty foods are supplied through a 200,000 sq. ft. facility in Winthrop, ME.
