These cost scenarios are provided for information purposes only. They do not recommend, nor endorse any specific dental plan, or make any medical recommendations.

The uninsured cost of a given dental service can vary widely depending on the dentist and the specifics of a given dental issue. Please use these cost scenarios as a guide to perform your own comparison with a specific dental provider. The numbers used here are only example based upon the approximate cost of service from providers such as MIT Dental and Gentle Dental of Boston.
