Rep: someone for McCormick, cry I wasn't cc'ed

Officer Updates

REX

- Presidents should please elect CPW chairs BEFORE WINTER BREAK
 - Training early IAP if they're back, get info out asap

Dining

- Bringing three candidates for head of dining to campus
 - mid/late november
 - Hire date: iap? Possibly here for IAP, probably spring semester
- RFP pushed to first week of November
 - Lily's busy today so not updated on how that's going

Housing

- Storage rep
 - Replaced stuff if in New House
 - Waiver is probably not happening? Going to keep trying

Risk Management

- Next undergrad head of house meeting is first week of December
- Going to meet heads of houses

Treasurer

- Cpw budgets submitted
 - Got nothing from Maseeh or Next, they need to be sent in
- REX
 - Only McCormick, MacGregor, East Campus, and Next have submitted REX budgets

Housing Survey!

- Everybody gets to take it
 - Find problems:
 - Going to edit one question, didn't actually say the question
 - Page for associate head of house not showing up for dorms with one
 - Wow it's so great thanks Allie :)
- Discussion on awards for survey participation:
 - Money currently going to heads of houses for a study break
 - Disagree, think if it went to dorm fun would be better?
 - Goal is to have it spent within the next three months
 - How about RLADs front on their pcards and then receipt submitted for reimbursement to Suzy's office?
 - General agreement
- Allie got count of how many GRTs in each dorm
 - New house 3 still doesn't have a GRA:(

Budget Guidelines

- Supposed to update every semester
- Allie changed:
 - took out some introductory text
 - Reorganized
 - Added phrases about "all dormcon events must be open to all undergrads"
- Passes!

In-House Rooming Guidelines

- Plan is to approve at this or a future meeting, ask each RAC to submit summary of how their housing process works, show that they follow the guidelines
- What does 'identifiable student information' mean?
 - Should be private?
- How are floors able to know when doing rooming on floor whether someone medically requires a single?
 - RACs have that info
- What about interdorm transfers?
 - Ideally these guidelines would also apply to them with the exception of the first line
- What does 'preferences of roommate not considered' mean?

- One roommate's preferences are not going to overrule the other's
- Concerned could be obtrusive to gender-inclusive housing
 - Adjust to consent of all parties involved? Going to consider further
- #8 RACs should make clear principles to who?
 - Everyone?
 - Maybe communicate goals but not process?
 - Okay to tell freshmen it's mutual selection but not details?
 - Is process published online? Generally not
 - Updated text to include clarification (point is now #9 as well, another point above (4) was expanded into two)
- RACs will be asked to write up their mutual selection process in detail
- Move to vote?
 - Will still be open to change depending on discussion with Suzy, will be run past presidents again if so
- Passes!
- Feedback from meeting with Jag:
 - Parents shouldn't be contacting students, should all be redirected to Jen
 - Jag suggested should be possible to remove 'need single?' question
 - Concern: should make it much clearer how to get one if do need a single for medical reasons, process is not clear/not advertised well
- RACs will be asked for rooming details soon!
