

**Software Tools for Environmental Field Study**  
**1.992 Special Studies in Civil and Environmental Engineering**  
**Fall 2001 Term**

*Lecture 8.*

*11/02/01*

- |   |           |
|---|-----------|
| 1. Introductions  | (10 mins) |
| 2. Watershed Hydrology: Linking Field Sampling and Modeling | (60 mins) |
| a. Environmental Modeling                                   |           |
| b. Link between Data Collection and Modeling                |           |
| c. Field Study Description and Details                      |           |
| d. Data and Software for Modeling                           |           |
| 3. WorkingGroup Meetings                                    | (50 mins) |
