Shipping at MIT. Simplified.

VPF and EH&S are teaming up to launch a web-based shipping portal in 2015. Streamlining the end-to-end shipping process for members of the MIT community, the site will offer:

**Improved Shipping Experience**
- Shipping cost comparisons
- Simplified invoicing
- Streamlined payment process
- Reduced invoice reconciliation
- Increased savings

**Improved Compliance & Controls**
- Reduce risks of shipping hazardous materials
- Provide tracking and reporting

MIT SHIPPING BY THE NUMBERS

- **44,000** Number of shipments made by MIT per year
- **200+** Number of shipments that include hazardous materials
- **$1.6M** Amount MIT spends in shipping per year
