This handout is a guide for pedestrians, bicyclists, and drivers for Vassar Street East. Please review the following guidelines for this unique street design in order to create a safe and positive experience for everybody.

**Wide sidewalks with distinct pavement**

- Walk on the sidewalk not on the cycle track

**Narrow street with crosswalks and bike lanes near street crossings**

- Don’t park on cycle track or sidewalk
- Don’t park on bike lane where cycle track transitions to lane on the road (areas are marked blue)

**Cycle Track and Off-Road Bike Lane indicated with distinct pavement and pavement markings**

- Watch out for pedestrians and ride at a reasonable speed
- Stay on the cycle track

- Ride in the direction of traffic (see arrows on the cycle track)
